MENU

Mann-O-Salva is a type of food that was gifted to Bani Israel (people of Prophet Musa A.S). The people of Bani Israel requested Prophet Musa (AS) to ask Allah SWT for a special meal to fulfill their hunger.

All of us are aware that “Mann” & “Salva” is the food of Jannah that Allah sent for Bani Israel.

Mann (الْمَنَّ)

Mann was a natural, sweet provision that appeared without cultivation given as a mercy and sustenance to the people of Bani Israel. It was a divine sweetness sent by Allah — pure, effortless nourishment gifted as mercy. A symbol of provision that comes without striving, reminding us of His endless care.

Salva (السَّلْوَى)

Salva was a kind of bird often referred to as a ‘Quail’. People used to catch it & turn it into the roasted meat. It was indeed a blessing for Bani Israel.

Tender quail sent from the heavens — a wholesome and fulfilling sustenance. A sign of comfort and ease, provided by Allah in times of need.
